Create a brainy masterpiece and win!

Theme

What is your brain doing when you read this? What was it doing when you were asleep last night? What is it doing when your foot kicks a ball?

We think those sorts of questions are interesting and lots of fun to think about. But we also want to know what you think about the brain.

And we want you to show us by creating an artwork inspired by completing this thought:

‘I use my brain to…’

Create a picture responding to this theme on A4-sized paper, using pencil, crayon, markers or paint.

Who can enter

This art competition is open to Australian primary school children and will be judged in three age categories:

* Foundation year and year 1;
* Years 2-4;
* Years 5-6.

One winner will be selected from each category by a panel of judges.

The prizes

Each winner will receive a brain-related prize pack.

Each winner’s school will receive a brain-related resource pack and a $1000 voucher to purchase further resources from Modern Teaching Aids.

How to enter

Artworks can be sent as hardcopies to: CIBF Art Competition, Monash Biomedical Imaging, 770 Blackburn Rd, Monash University, Victoria 3800.

Artworks may also be photographed or scanned and emailed to: administrator@cibf.edu.au

Please include the child’s name, age, school year, school name, a parent or guardian’s signature and a school contact on the back of the artwork.

Closing date is March 24, 2016.

Brain Awareness Week

The competition is part of Brain Awareness Week (March 14-20, 2016), which is the global campaign to increase public awareness of brain research. Links to resources for brain-related activities can be found on the CIBF website listed below.
